REMARKS

The USPTO has stated that Applicant must file an amended appeal brief because “the brief does not contain a statement or arguments in regards to the Drawing Objection under 37 CFR 1.83(a).” However, in the Advisory Action dated September 23, 2005, the Examiner expressly stated that Applicant’s argument towards the Drawing Objection was persuasive and, therefore, the Examiner *withdrew* the Drawing Objection. *See* Advisory Action.

In view of the above, Applicant submits that the Appeal Brief filed December 7, 2005 is proper. If there are questions about this matter, the undersigned attorney may be contacted at (770) 933-9500.

Respectfully submitted,

By:
